Hotel Bonking

I recently appeared in your magazine for the first time and was so turned-on to think of all those men and women having a good wank over my pictures.

It has had an amazing effect on my sex life and made my boyfriend Rob and I so much more relaxed and adventurous in the sack.

Rob and I arranged to meet in a local hotel for a shag after work. Then we left separately to go to the bar. I was dressed to kill in a short skirt, stockings and suspenders, high heels and a plunging neck line showing off my 32DD tits.

It wasn't long before it had the desired effect and I was approached by a young guy out drinking with his mates.

I explained that I was staying in the hotel but had been stood up by a friend and we started drinking and flirting outrageously.

The talk turned to sex and knowing that Rob was nearby watching me at like a complete slut got me wet no end.

I told my new-found stud to follow me to my room.

I went up first and stripped down to my underwear and switched on the digital camera that Rob had carefully placed in the corner of the room.

There was a knock at the door and I dragged my new friend in, ripping his clothes off and passionately kissing him as we fell back on to the bed.

That's when I got my first shock. He dropped his trousers and pulled out the biggest cock I had ever seen – at least 10 inches long and thick, very thick!

I wrapped my lips around it, stretching my mouth to the limit.

My pussy was soaking wet and throbbing to be filled with his cock.

I pushed him backwards and straddled him, feeling every inch slide deeper and deeper into my cunt.

I came almost immediately, my juices soaking his heavy balls.

I couldn't get enough! I slammed my aching pussy down over and over again, cumming so many times I was struggling to catch my breath.

Suddenly I felt his hot spunk explode inside me and he screamed filth at me.

Then came my second shock as he laid me on my back and sucked all of his cum from my battered pussy then dribbled it into my gasping mouth. Fantastic!

We showered quickly then he left. Rob turned up almost immediately.

We lay there and watched my performance on the camera. Then we had the hottest rudest sex session of our lives.

We now aim to live out all our fantasies, and soon. Next is going to be a wild threesome with another girl.

I've got a couple of horny bitches in mind and will keep you informed of our progress. Needless to say, Rob can't wait!

Louise, Kent.

CONTACT ME

Office Angela

I have a very high sex drive and I love fucking at every opportunity I get. Luckily my husband is highly sexed too and we are constantly at one another.

I work as a secretary for quite a well-known company. I always take my dildo with me to work because I get so randy I have to have it up me.

Quite often I rub myself up under the table until I am desperate to have my snatch filled.

Then I nip off to the toilets with my dildo and finish myself off properly.

Sometimes when I am working late after work I call my husband Jim and he talks dirty to me over the phone while I frig myself off. Other times if he's not busy he comes over.

Last time I was working late I had loads of work piled up on my desk but I just couldn't focus on it. My clit was throbbing and I couldn't keep my hands off my pussy.

The office was empty so I phoned up Jim and told him I was horny as hell. "Right, get your pussy nice and juicy, I'm coming straight over. I've got a hard-on already!" he said.

I put the phone down and did as I was told, discarding my soaking knickers.

I stroked my cunt with one leg cocked up on the table.

About ten minutes later Jim rang the buzzer. I opened the door and practically jumped on him.

He wasn't joking about the boner – it was jutting out of his trousers conspicuously. We went into my office and locked the door.

Jim immediately pushed me up against the door from behind. He kissed and bit the back of my neck frantically as he wildly pulled my jacket, blouse and bra off.

I pushed myself into him and groaned as he went to work. He threw my clothes on the floor and stripped off my skirt to leave me naked. He bent me over the desk and crouched behind me.

I spread my legs and he started to lick my swollen, throbbing pussy. He pushed his tongue inside me as deep as he could, tasting my juices and making me gasp.

I rubbed my tits and tweaked my nipples as he licked me out. My body started trembling as I felt an orgasm building up inside me. I slid a hand down and started rubbing my clit.

I came with a shout and a splash. Jim lapped up my nectar before standing up and turning me round. His trousers were round his ankles and his hard cock was winking invitingly at me.

I got on my knees and cupped his balls in my hand. I licked and nibbled at them before taking his cock in my mouth. I sucked him off but I didn't want him to cum before he'd filled my cunt.

I bent over the desk again and ordered him to fuck me.

He slid his cock effortlessly inside my dripping gash and started pumping.

I flicked my clit as he shagged me. I came non-stop for five minutes.

Then Jim flipped me round and decorated my face with ribbons of glorious white jism. Delicious!

Angie, London.

Christen

To christen, of course, means splashing a baby with a bit of holy water, but we'd much rather be splashing this Christen with something else altogether…

"Oh, you dirty bugger! Still, I guess I wouldn't be appearing in Escort if I wasn't turned-on by the idea of horny guys splashing off over me, would I? I used to leave little naughty photos about the place for my first boyfriend, giving him clues about where I was and where he could find me - he was always so turned-on by the time he caught me there was plenty of splashing off to be done!"

Gang-Banged Mand!

My girlfriend Mandy is thirty-seven years old. These photos were taken in my office one weekend.

We often go into work and catch up on the paperwork when none of my staff are around.

This gives her the chance to play the role of the sexy secretary.

The only problem is that she is one fuck of a distraction, bending over the desk and flashing her bronzed thighs and firm butt at me.

I don't seem to get much work done. But then I'm not complaining because I do get my plums sucked.

She has got great tits with long hard nipples, a lovely tight little pussy and gives the best blow-jobs I have ever had.

During sex I like her to tell me stories about her past sexual exploits, in which she takes a great deal of pleasure in verbally reliving for me.

My favourite short stories are the ones about her college days. She was nineteen and looked quite shy and innocent in those days. How wrong could you be?

She always wore dresses or skirts, usually with stockings or hold-ups. She often gave lads blow-jobs in the common room at break times and after lessons.

She soon got a reputation among the lads in her class for giving good head.

She sucked a mean cock and she always swallowed the lot.

One of the lads' parents went away for the weekend and Mandy was invited. Of course she was – you'd have to invite the blow-job queen, wouldn't you?

Mandy wore a little black number to the party, along with the usual black stockings, suspenders and high heels.

The party kicked off and most people were getting pretty drunk. Mandy was being chatted up buy some guy and before too long they were up in the bedroom.

After sucking the guy off and drinking down his cum, she took his cock in her mouth again and slowly coaxed another hard-on out of him.

Then she lay on the bed with her legs spread wide. He knelt in front of her and slid his cock inside her. After they'd been screwing for a while she noticed that a couple of lads had entered the room.

She did not seem to mind and carried on. When the first guy had sprayed her with spunk a voice from the room asked when it was his turn.

She told him his turn was next and began sucking his cock.

The third guy in the room didn't need an invitation to join them on the bed. As guy two began pumping her soaked pussy she took guy three in her mouth.

Well this carried on for hours, her getting fucked while she sucked. More blokes came in and stood by the bed, all waiting the turn she willingly allowed them.

Mandy can't actually remember just how many guys fucked her that night.

She thinks it was somewhere between twelve and twenty, with some of them doing her more than once. She said she was covered in jism by the end.

She had spunk on her face, tits, stomach and all down her stockings.

She can't remember how many guys had cum inside her or how much spunk she had swallowed. A good pint, I reckon.

She tells me she was sore for two weeks afterwards but it was worth it and she enjoyed every minute. These stories always make me rock hard, and she's never short of a new one to share with me either!

Stuart, Bucks.

RHIANNON

Northern lass Rhiannon might hail from Lancashire, but she's having a crack at breaking London at the moment...

"Well, I'm not trying to break it – but I'm having a fantastic time living in it! There are so many clubs and places to go – and loads of really kinky ones too. Me and a friend love getting dolled up and heading out to some of the more exotic clubs and seeing how we get on. So far so good – we've never finished the evening completely empty handed – well, mouthed or pussied!"

Sounds like swinging London's just the place for you, then!

"A cheeky pint or two before lunch never did anyone any harm, did it? Besides, a couple of drinks always gets me feeling a bit randy, and when I'm feeling randy you never know what I might get up to!"

Well alright, then, but just stick to the two litres for now.

Nicole & Kate

In this day and age you really don't need a bride and a groom for a wedding to take place – and if the evidence of these photos is to be believed, two brides is probably the better option!

"Well, a cock or two wouldn't go amiss!" grins busty Nicole, but I reckon Kate's pussy tastes better than any wedding cake I've ever had!"

"Yeah, although perhaps a couple of cocks and a cake for afters would be the ultimate arrangement!" chips in Kate, before getting back to the feast in hand…

Dani

Car sharing apps are all the rage these days, but surely none of them is a patch on an app that could let you summon up the ever-spectacular Dani Maye with the swipe of a touchscreen!

"Well there's a business idea that ought to do pretty well!" she enthuses. "I could get an army of Dani Maye clones and base them all round the country. Then, when anyone's feeling a bit lonely – or in need of a lift, of course! – they could tap on their phone and there one would be!"

Hmm, the cloning part might provide a few problems, but basically what you've just hit on there is the answer to everyone's dreams!

REAL WIFE SEX

Demi's marriage gets a shot in the arse...

I grabbed his cock, getting off on eating it and giving it a good lashing with my tongue...

Last year my marriage had been going through a rocky patch and it looked like we were on the brink of calling it a day. Apart from anything else my (older) hubby's libido was flagging and I'd been getting more and more frustrated. Little did I realise the answer to my problems was to come from a very unexpected quarter. An old friend of mine dragged me to a party, accusing me of needing to get out more and insisting that I ought to let my hair down. The party was good, it was busy and lots of talking dancing and drinking took place, you know – the usual. Still, I was getting pretty tired but my friend didn't want to leave so I waited for her to avoid the long walk home alone in the dark.

Then out of the corner of the room a complete stranger quite unexpectedly walked up to me and started nuzzling my neck. Secretly it had been what I was craving and I moved in for more, not even bothering to make any conversation first. Before long we were snogging each others' faces off in full view of everyone. Wanting some privacy, I suggested we go upstairs to one of the bedrooms.

As soon as we were on our own our arms flailed across each others' bodies, madly finding and feeling those hard and soft protruding lumps of flesh so sensitive to touch.

He was hard and I was wet. His salivating mouth tasted so good I wanted to eat him alive. He started manoeuvring me towards the bed. No, I thought to myself, I can't go through with this, I was a good girl and I didn't want everyone at the party thinking I was a slut.

But my aching pussy urged me on. The pleasure was too intense, my will power melted away. And as he laid me on the

bed and seduced me my head was a flurry of bliss and floating clouds. I had surrendered totally and he slowly slid down my figure hugging jeans and snogged my pussy, slurping and gulping like an excited puppy.

His fingers tantalisingly stroked me inside which drove me mad with passion as I wanted it hard. Then he drove his huge hard tool into my shaven pussy and drilled me good and proper leaving me gasping for breath and whining like a dog. I was screaming with ecstasy.

I orgasmed in gushing waves, my body seizing up on the point of climax then relaxing, releasing creamy gushes of cream. I had been a tense little bunny of late and the frustration and tensions of life and lack of sex fell away from me in buckets. I was floating in heaven, sedated, ready and willing for anything.

This was his moment, he looked at me the devil dancing in his eyes, I loved that wicked look and my nipples went rock hard. I grabbed for his cock, getting off on eating it and giving it a good lashing with my tongue. As he kneeled on the bed I held his cock with both hands slurping and licking while looking in to his eyes.

It drove me wild sucking that cock and I grew damper and wetter. All goodness had left me. I resolved that I was a very naughty girl indeed, a tart in fact and I liked it. I offered him my arsehole, teasingly looking over my shoulder, ready for the taking.

I'd never taken it up the bum before, but I felt so erotic, so turned on and dirty that I wanted to award the prize of my anal virginity as a token of appreciation for all his good work.

Of course, who was he to decline and as he moved in on me I gritted my teeth. I both wanted it but felt scared. The trophy had been offered and now there was no going back. I tried to avoid his shaft by poking my bum out of the runway course at the last second. This only served to make him hornier and determined to fuck my rear.

He found the entry and seized his opportunity and rammed his manhood home before the moment was lost. He pushed into me as far as he could go and it hurt like hell. Oddly enough the sensation of burning pain and pleasure turned me on immensely and I liked the feelings of eroticism it triggered within me.

He slowly withdrew his cock, it glistened and throbbed in the candlelight and looked enormous, the veins stood out and it was clear he was as aroused as he could be.

I was gasping to get my breath back, but equally anticipating what he was about to do next. Unspent, he drove his prick back up my arse with the same ferocity he had originally breached it with.

For the next few minutes he hammered away at my behind. My feelings went to both extremes until I started to appreciate the finer sensations an arse fucking entails. It must have been much the same for him as a few more powerful strokes were succeeded by a sudden freeze. He groaned and then I felt my back passage being pumped full of his seed.

We both collapsed on to the bed and devoured each other with our lips savouring each others' skin and erected bodily parts over and over again until we both lay in an exhausted tangle of legs and arms.

Now I cheat on my hubby about once every couple of months. What he doesn't know won't harm him, and at long last my pussy (and arse) are getting the attention they've been craving!

I offered him my arsehole, teasingly looking over my shoulder, ready for the taking...

04. Poppy
Manchester

"My hubby likes to call me when he's leaving the office and tell me to get myself worked up into a lather with this before he gets home," says the randy 53-year-old.

05. Sophia
Wimbledon

"I've got plenty of dildos but this one's the best – it's got a sucker so I can stick it to the floor or the wall and fuck myself stupid with it!" raves Sophia, 25.

MY FAVOURITE DI

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately some of us blokes have to go to work. Here's what they like to get up to in our absence...

06. Louisa
Wales

"A boyfriend bought me this for when he's away, which as very sweet" says Louisa, 25. "Although it doesn't stop me getting some real cock as well!"

07. Diane
Lancs

"My new boyfriend's really helped me explore my sexual side," says Diane, 48. "We've started dogging and flashing, and he's bought me loads of vibes!"

LDO

£25 PER PIC!

Kayla

Apparently this set brought back all sorts of memories for Kyla Louise, who used to go out with a graffiti nut a couple of years ago... "Yeah, he was always trying to get into places that he shouldn't – he was a very naughty boy indeed!"

What, like railway depots, so he could spray on the trains?

"No, like my bum! He was obsessed with it, and kept trying to sneak his prick in there! He managed it once or twice, and then he really would spray all over the place!"
